# Key Focuses of Natures Reprise

- Player choices have a meaningful impact in how they play the game
- Player's movement tools give players a feeling of flow
- Players can use previously seen information to guide new decisions

# The Mechanics

## Core Mechanics

**Regeneration** : Use Essence

(resource) to grow plants to aid player

**Vine Swing** : Swing from ceilings to

gain momentum, height and distance

---

# Game Structure

## Living Forest:

- Moving enemies
- Easier platforming
- Sporadic opportunities to use regeneration
- Platforming solutions are more linear

## Dying Forest:

- Enemies are extinct
- Platforming is more difficult
- Regeneration opportunities are abundant
- Platforming segments are more open

# Competitor's Analysis

Penny's Big Breakaway(Release: Feb 21st 2024)

Key Difference: 2D Game with Focus on exploring and mastering a small, static ability set

Rusted Moss(Release: April 12th 2023)

Key Difference: Focus is on the platforming puzzle instead of action platforming combat
